ABOUT FRONTLINE

At Frontline General Engineering Construction, we understand the devastating impact wildfires can have on communities. Our mission is to provide fast, efficient, and high-quality disaster recovery and construction services to help you rebuild stronger than before. With extensive experience in infrastructure restoration, fire damage cleanup, and ground-up construction, we're ready to assist in every step of the recovery process.

We proudly serve the Bay Area and Central Valley, working with homeowners, businesses, and government agencies to restore what's been lost.

WHY CHOOSE FRONTLINE?

-  **Rapid Response:**
We're ready to deploy quickly and start work immediately.
-  **Licensed & Certified:**
Fully accredited for public and private sector projects.
-  **Experienced Workforce:**
Skilled professionals with a proven track record.
-  **Safety First:**
We prioritize safety in all our operations.
-  **Sustainable Practices:**
Environmentally responsible recovery solutions.
-  **Proven Results:**
We've successfully completed fire station, school, and community rebuilding projects.
